# 8 Responsive

Responsive design allows your web content to adapt to the viewport and zoom level.

**Tablet (Portrait)**
`Dev` `UX` `Content` `CJE`

**Tablet (Landscape)**
`Dev` `UX`
`Content` `CJE`

**Mobile**
`Dev` `UX` `Content` `CJE`

**Desktop**
`Dev` `UX` `Content` `CJE`

## Mobile first
- ✓ Mobile first is not Mobile only.
- ✓ Content displayed at minimum 320 CSS pixels.
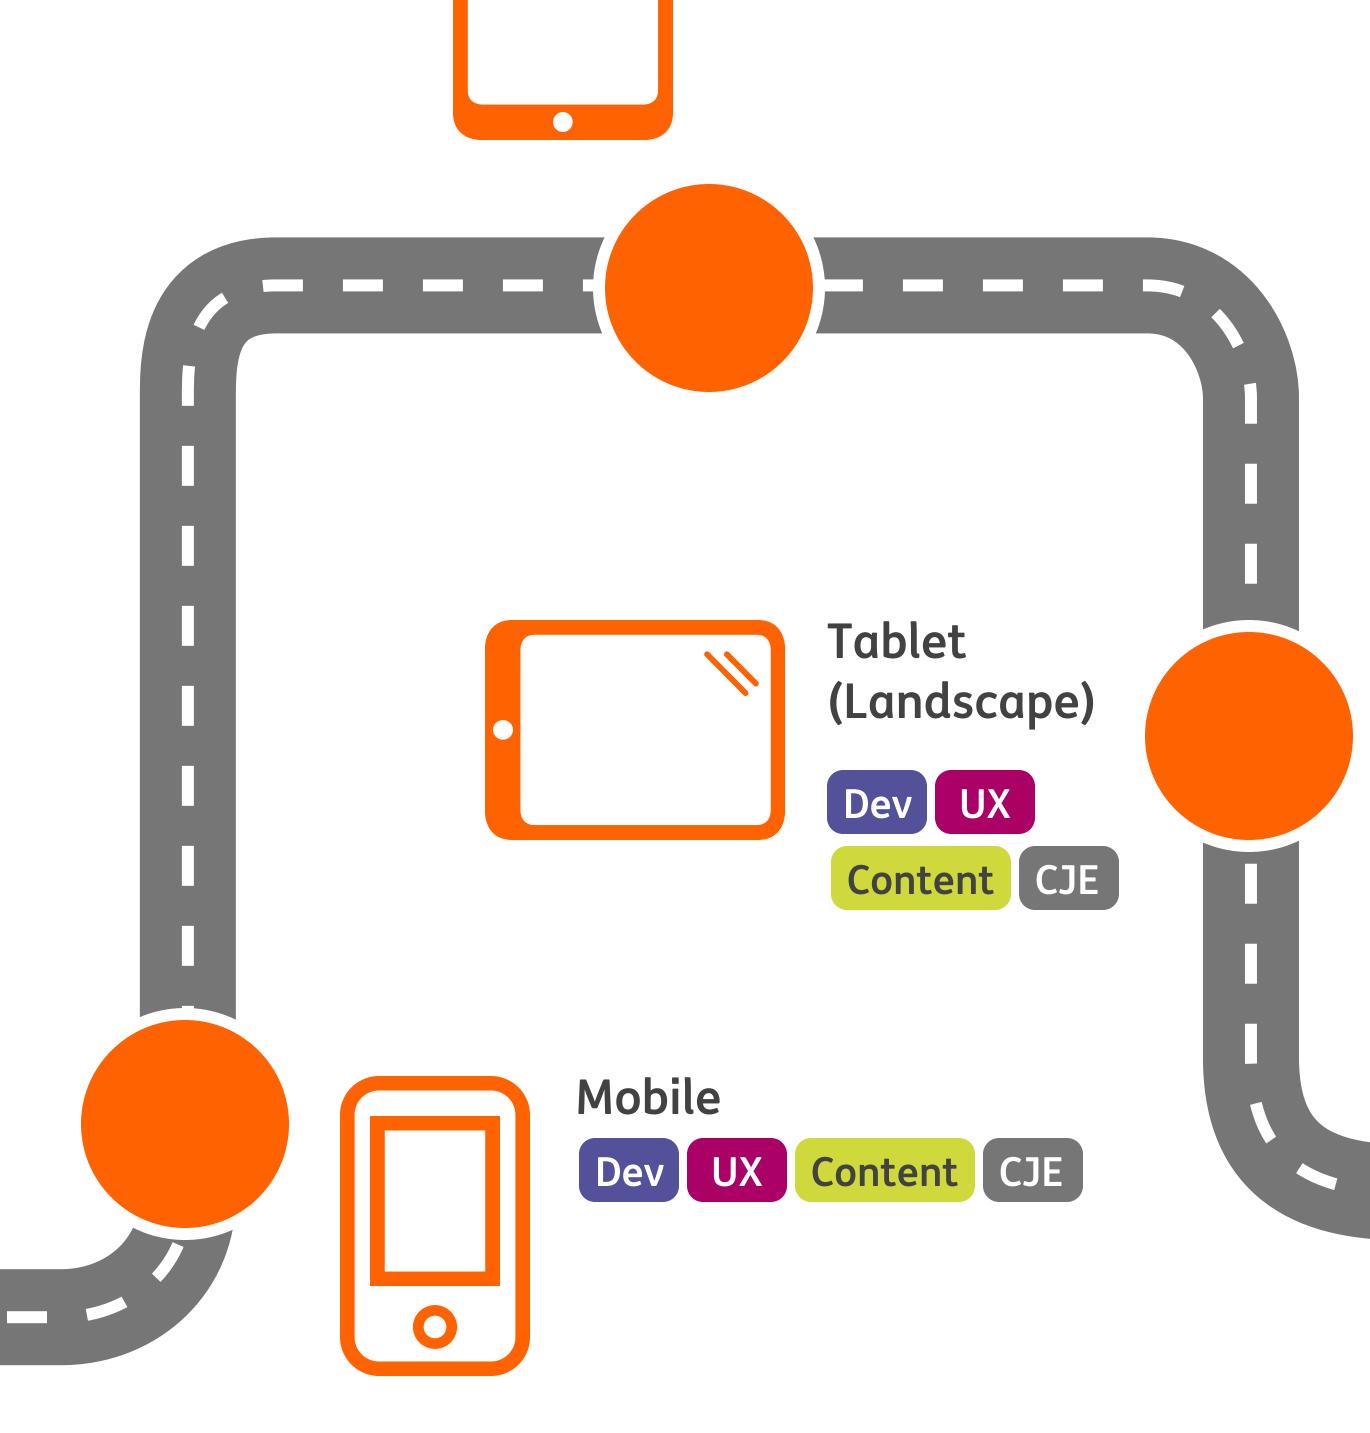

## Zoom
- ✓ Everything can be zoomed up to 400%.
- ✓ No scrolling in the direction of the text.

## Available
- ✓ All content must be available.
- ✓ All functionality must be available.

## Testing
- ✓ Test portrait as well as landscape mode.
- ✓ Provide feedback when changes occur.
